financial principles demonstrates that Christians are trusting God in this important area of their lives. Principle #1 GOD OWNS IT ALL This foundational principle is that God is the source of everything. He owns it all. We are just managers! Everything we have, and everything we are, represent His gifts entrusted to us.

### **10 Financial Principles from the Bible**

Christian financial management is handling God's money according to biblical guidelines. That's why Christian financial management's essence is The GAS Principle. Christian financial management means carrying out Christian stewardship: it involves surrendering all areas of the Christian's life to Jesus and allowing Jesus to guide all spending.
