A comprehensive school is a school type, principally in the United Kingdom; it is a school for secondary aged children, that does not select its intake on the basis of academic achievement or aptitude, in contrast to the selective school system, where admission is restricted on the basis of selection criteria. The term is commonly used in relation to England and Wales, where comprehensive ...

Terms such as socialization and social development are used interchangeably in the gifted education literature, but these actually are very different concepts. Socialization is defined as adapting to the common needs of the social group (Webster, 1979, p. 1723) or acquiring "the beliefs, behaviors, and values deemed significant and appropriate by other members of society" (Shaffer, 1988, p. 2).
