Rules Harvesting from Source Code - Happiest Minds

Because more than eight million students in 40% of America's schools, every day, watch TV commercials as part of Channel One's news broadcast. Students read commercials far more often than they read Romeo and Juliet .

Harvesting Minds: How TV Commercials Control Kids - Roy F

Excerpt. Harvesting young minds for private profit in a field set aside for that purpose and visited voluntarily has its problems. That is why commercials on children's programs are subject to special codes, loose as they are. However, harvesting young minds for private profit in the schools--a public preserve specifically set aside...
