- Whether you attend university, work for a company, or own your own business, you know it doesn't take a passport to interact with people from diverse cultures. No matter which part of the world you live in, you need to become a skilled cross-cultural communicator to make the most of your strengths. My name is Tatiana Kolovou. I'm an author, coach, and a faculty member at the Kelly School of ...

- Hi, I'm Bob McGannon and this is Managing Virtual Teams. This course covers the nuances and subtleties of managing employees that aren't working in the same office as you are. We will look at the particular challenges this situation brings to you as a manager and how you can adopt your personal style to be more successful with virtual team members. We will start by examining the fundamental ...

Orality is thought and verbal expression in societies where the technologies of literacy (especially writing and print) are unfamiliar to most of the population. The study of orality is closely allied to the study of oral tradition.. The term "œorality" has been used in a variety of ways, often to describe, in a generalised fashion, the structures of consciousness found in cultures that do ...
