A promotional model is a model hired to drive consumer demand for a product, service, brand, or concept by directly interacting with potential customers. A majority of promotional models typically tend to be conventionally attractive in physical appearance. They serve to make a product or service more appealing and can provide information to journalists and consumers at trade show and ...

American Rhetoric

Race traitor is a pejorative reference to a person who is perceived as supporting attitudes or positions thought to be against the supposed interests or well-being of that person's own race. For example, one or both parties to an interracial relationship may be characterized as "race traitors". As another example, a person who supports affirmative action or other policies that allegedly benefit ...
